THANK YOU FOR YOUR FEEDBACK!

*"Excellent accommodation. The apartment was spotlessly clean and had modern amenities. It felt spacious and was tastefully decorated. The bed was comfortable and had quality linens. The area was quiet, but the historic center and seafront promenade were easily accessible on foot. The central train station (Centre) was just around the corner, making transport to and from the airport easy, only 10 minutes away and much cheaper than a taxi. We highly recommend this property."*

*"Beautiful place for a short stay. It's within walking distance of the bus and train stations. The Soho area right outside is great for bars, restaurants, and strolling around. You can easily walk to the Old Town to visit museums and more bars and restaurants. The kitchen is basic. A kettle and coffee maker are provided, but no pots or pans. We had a good 3-night stay.
